## Update on Classrooms:

Thank you, thank you again for your incredible support to equip the teachers in their temporary rooms after the fire. As you know there has been extensive smoke and soot damage throughout the Children's wing. The cleaning service is busy in each room professionally cleaning every item. Any personal item from cubbies will be professionally cleaned and returned to the school. At that time we will make sure you have an opportunity to come in and claim your child's items. We apologize for any inconvenience but want to be sure we have followed every safety protocol to have the children's items properly cleaned.

## Chapel

What a privilege it has been to share with your children their love of the Lord each Monday morning. Chris and I have been blessed by their enthusiasm and eagerness to start our weeks together.

Isn't it amazing that the virtue for this month would be **Patience!** I am sure this side of heaven we will never know all the ways God has taken care of our school but I can truly say that through difficult times He is always with us! Our prayer is that God would watch over us all as we move into our summer apart and that we would feel and know His unfailing love for each one of us.

Scripture Memory Verse:

"The end of a thing is better than it's beginning, and patience is better than pride."

Ecclesiastes 7:8
