Read Across America Week

We have been celebrating this week with all kinds of fun! We've had special visitors and read lots of fun books! Reading to your child is a great way to connect with them at the end of a busy day. It also exposes them to many different words to help build their vocabulary. A child that is read to for 20 minutes each day will hear close to 300,000 words by age 5! Stop by the book fair and pick up some new books this week to read together as a family!

Nursery Kids (birth-pre-k) will hear about our new theme for the month. Elementary Kids (K-5th) will do all kinds of fun activities with Ms. Katie in fellowship hall. Parents are invited to join us in the welcome center for coffee and donuts and to hear about parenting resources specifically for your child!
